The Recreation Area of Kings Point was designed and is operated for the pleasure of Kings Point Residents and their guests. Owners are responsible for the conduct of their lessees, guests and invitees and will be held responsible for all damage to the Recreation Area property caused by such owners, their lessees, guests and invitees. The Recreation Area consists of the clubhouses, swimming pools, Natatorium, golf courses, canals, bus system, entry gates and roads of the community and other common facilities. The Recreation Area does not include condominium property and its parking areas or common grounds.

Recreation Area policies and rules are established by the Board of Directors, which also oversee the management and financial operations of the Recreation Area. The Board of Directors meets every 1st and 3rd Thursday of the month at 9:30 AM in the Administration Building. Residents are welcome to attend these meetings and observe, but needs or issues should be communicated in writing to the Board or by contacting a board member prior to a meeting. Board members are elected/selected by the various condominium associations within Kings Point.

Vesta Property Services manages the Recreation Area property and facilities on behalf of the owner and the community. Vesta Property Services conducts a monthly informational meeting where residents are welcome to address any issues or needs. These meetings are held the 3rd Tuesday of every month (except the summer months of June, July and August) alternating between the Flanders and Monaco Clubhouses. These meetings begin at 9:30 AM.

Recreation Area policies and rules are necessarily established for the safe and equitable enjoyment of the facilities by all Kings Point Residents. Our community has as many citizens as a small city. Cooperation by all residents is essential in providing a pleasurable environment where all can enjoy their retirement experience. This Community Procedural Guide addresses many of the Recreation Area rules and policies but cannot be all-inclusive. The Board of Directors and Vesta Property Services reserve the right to change, add or delete rules and/or policies of the Recreation Area.

This Community Procedural Guide is broken down in several sections and appropriate rules and policies are addressed in each section. However, the following rules pertain throughout the Recreation Area:

- Upon entering any recreational facility, you are required to produce and show, in a proper manner, your ID card to the Security Officer on duty or to other management personnel upon request.

- Certain portions of the recreation area may be available, from time to time, for exclusive use by clubs, classes, associations or other approved groups.

• Compliance with requests, directions and/or instructions from a Security Officer or from any management personnel is expected.
• Failure to comply with recreation area policies may result in the person being removed from the property and/or a suspension of Recreation Area privileges.

All persons using the recreational facilities shall at all times refrain from behavior which is disruptive or which disturbs others in their lawful use of the property, and shall not engage in behavior which fails to observe proper decorum, procedures, and protocol at meetings conducted on the property, or conduct which violates these rules or the articles of incorporation or bylaws of the Kings Point Recreation Corporation, Inc. The failure to comply with these provisions will result in the suspension of use rights on the property for a minimum period of 60 days, and such person shall surrender his or her Pass for such period of time. The Board of Governors has delegated to Vesta Property Services the authority to suspend use rights in the property for those reasons shown. Anyone who obtains a Pass to use the facilities, as a condition of obtaining the Pass, expressly agrees to surrender the Pass for the period of suspension.

The residents of Kings Point are extremely fortunate to have two 18-hole courses that were designed by world renowned architect Robert Trent Jones, Sr. Between 2006 and 2008; both courses have undergone extensive renovations. All of the putting greens have been re-grassed with Champion, the latest technology in Bermuda grass. This grass is found on many PGA Tour courses and is considered by experts to be the finest putting surface currently available. The tees have all been laser leveled to ensure a perfectly flat hitting surface. Many other upgrades and enhancements have been made at both courses. Within the golfing community of south Palm Beach County, the Kings Point courses are recognized to be among the finest kept and enjoyable courses available. The courses are available to our residents as well as to the general public.

The Executive Golf Course is a 3,900 yard, par 60, 18-hole course located adjacent to the Flanders Club House. Holes range from 114 to 388 yards. This course is designed to challenge the better player with water on most holes, and very strategically located traps.

Our Par 3 Golf Course is a 2,100 yard, par 54, 18-hole course located in the Tuscany area. Holes range in length from 60 to 180 yards. The greens are undulating and have a fair degree of slope. This golf course will aggressively challenge one’s short game.

GREENS FEES, CART RENTALS, BAG STORAGE

Reasonable fees are established for residents, their guests and the general public. Special rates are available for afternoon play during both winter and summer months. Both courses accept MasterCard, VISA and Discover Card. Bag storage is available at both courses under reasonable terms. - A group leader is responsible for checking parking availability **prior** to scheduling their trip with the bus company and must return a completed form for approval to the Staff Office.
- Tour buses should arrive no more than 15 minutes before the designated pick-up time and should depart within 30 minutes.
- Resident and non-resident vehicles will be allowed to park in designated parking area(s) only.
SECURITY

The Security Company has various responsibilities within Kings Point. Primary among these are access management to the community and its facilities, safety of the residents, guests and employees. Security Officers will report any unit, vehicle or posted signs displaying advertising signs anywhere on Kings Point property. All Security personnel are required to perform their duties as directed by and in accordance with Kings Point’s policies and procedures. It is essential that all residents and their guests exhibit patience and cooperation to allow Security Officers to perform their community duties.

ENTRY GATES

There are six entry gates to the Kings Point Community. The Monaco and Flanders Gates are manned and open 24 hours a day, every day. The Burgundy and Saxony Gates are resident only gates and are accessible by residents who have purchased a gate control device. All Residents must obtain a gate control device. The Main Gate on W. Atlantic Avenue is open from 7:00 AM to 11:00 PM every day. The Normandy Gate on Jog Road is manned from 6:30 AM to 11:00 PM every day and is accessible until 12:00 AM with a gate control device. Residents and their guests can exit the community through any gate at any time. Please note the gate arm closes after each vehicle.

Guests, Vendors and Service providers must enter the community through the "Visitor Lane" (the left-hand lane at all four manned gates). Entering the guest lane, they must be ready to tell the Officer the name and address of who they are coming to see, provide requested documentation and have their entrance logged in before proceeding. Commercial and Vendor vehicles must have proper and adequate signage on their vehicle or they will be denied access. After 7:00 PM no delivery or commercial trucks are permitted. (Excluding emergency vehicles). Residents should inform their guests and Vendors/Service providers of these policies prior to their arrival at Kings Point. To prevent a major infrastructure collapse, tractor-trailer trucks, overland/interstate and multi-freight haulers (18-wheelers) will not be allowed on property.

GATE ACCESS CONTROL DEVICES

Bar codes work at five entrance gates, including Burgundy, Flanders, W. Atlantic, Monaco and Normandy. Barcodes are available at the ID Office for purchase and are non-refundable. Bar codes may be purchased by residents and lessees with a Kings Point ID and are able to present a permanent registration showing the vehicle is registered in their name and the permanent license plate is on the vehicle. Windshield stickers are now available for rental cars. This allows entrance to the Flanders and Monaco Gates via resident lanes only. Bar codes and car decals will not be issued to trucks unless it has hard metal shell cover, motorcycles, company owned or work vehicles. Remotes for the Saxony Gate are also available for purchase for residents with a valid ID at the ID Office.
CLUBHOUSE ACCESS

Security Officers are posted at all clubhouse entrances. It is expected that all residents show their Kings Point ID card to the officer as they enter the clubhouse. Security Officers are directed to look at all ID cards and make sure that they are current and not a duplicated card. “Single Resident” IDs will be surrendered to the Security Officer upon arrival and returned upon resident and guest departing. The officer will confiscate any expired or false ID cards. Residents violating these policies risk losing their Recreation Area privileges. Guests must also have the appropriate ID card or pass for admission to the clubhouse. Allowing someone access to any of our facilities through an unmanned door is strictly prohibited.

COMMUNITY SAFETY

Security plays a valuable role as the eyes and ears of the community. They often will place the emergency call when notified by others of an illness, injury or other situations on the property. They will assist and control the situation until professional help arrives. Security Officers are not law enforcement or emergency medical services. 911 should be called for any emergency occurring in the home or in the Recreation Area.

Community safety is a top priority of the Security Company. When needed, Security Officers will direct traffic after large community functions for the safety of drivers and pedestrians. Security Officers routinely perform safety inspections on fire alarm systems, fire extinguishers, first aid kits, emergency lights, emergency exits and other safety related items. Security Officers patrol the Kings Point property to observe any suspicious or unusual activity.

Finally, it is expected that residents obey all posted traffic signs. Yielding to pedestrians in crosswalks is essential for their safety. Being aware of other traffic and pedestrians, driving slow and carefully will prevent accidents from occurring.

PARKING

Overnight parking in Recreation Area parking lots is strictly prohibited except as described under “Tour Bus Procedures”. Parking of mobile homes, campers, buses or other commercial vehicles is not allowed. Rovers are to identify all vehicles parked in violation by placing written violation warning notices on vehicles. Security Officers will report any vehicle that is in violation of “No Back-In Parking Permitted”. Vehicles parked in restricted areas will be towed.

From dawn to dusk the parking lot on the south side of the Flanders Clubhouse is reserved for use by residents utilizing the Flanders pool. From dawn until dusk the parking lot on the north side of the Flanders Clubhouse is reserved for use by people utilizing the Executive Golf Course. All others should use the west parking lot across the street from the clubhouse.

A Kings Point ID must also be presented before a vehicle sticker or bar code will be issued. Guests must also have an appropriate Guest ID card, Guest pass or be accompanied by a resident who has a Single Resident ID card. Residents are always responsible for the conduct of their guests.

Admission may be refused and ID cards/Guest passes confiscated by a Security Officer if:

- The ID card/Guest pass shown does not belong to the user.

- The ID card/Guest pass has been tampered with, duplicated or copied.
- Management has suspended the resident’s Recreation Area privileges.

A fee is required for each ID card or Guest pass issued which is non-refundable. Fees are determined by the Board of Directors. A price list is posted in the Administration Building lobby or you may call the ID Office for specific information. The first ID card purchased for a resident/lessee must be issued to an individual fifty five years (55) of age or older.

RESIDENT ID CARDS

To issue Resident ID cards to a new owner(s), the ID Office must receive the following:

- A copy of the “Certificate of Approval” from the condominium association’s management company approved by an association officer and sealed with the condominium association’s seal.
- The previous owner’s Resident ID card(s). If the previous owner’s ID card(s) cannot be located, a fee must be paid for each outstanding ID before issuing new ID cards.

Maximum of two (2) Resident ID cards will be issued per unit.
SINGLE RESIDENT ID CARDS

A Single Resident card is a second ID card issued to a resident living alone. This card allows the single resident to bring a guest (and only one guest) into the recreation area facilities. The resident must accompany their guest at all times when inside any recreational area facilities. “Single Resident” IDs will be surrendered to the assigned Security Officer upon arrival and returned upon resident and guest departing.

A Single Resident ID may be purchased only if the following requirements are met:

- The “Certificate of Approval” from the association’s management company has only one name, or;
- If two names appear on the “Certificate of Approval” then a copy of a death certificate of the other individual, a copy of divorce decree from the other individual or a waiver of social rights by the other individual must be provided, and;
- Any other outstanding ID cards must be turned into the ID Office.

The ID card issued will show the picture of the resident and will be identified with “Single Resident” on the ID. The resident must show both of their IDs when bringing a guest into any of the recreational facilities.

Residents must not give their Single Resident ID cards to another person. Any resident who allows someone to use their Single Resident ID card to attempt to gain access to recreation area facilities will lose their Resident and Single Resident ID card privileges for thirty (30) days.

Any unit that is SOLD and there is an existing lease on the unit, AND the Lessee turns in their ID cards, ID cards can be purchased by the new owner, even if the lease HAS NOT EXPIRED.

Should the owner or tenant break the lease and the tenant leaves before the expiration the rules will remain the same, no Resident or another Lessee will receive ID cards until the expiration of the current lease.
Lessee ID cards have an expiration date printed on them, therefore a lease extension is treated the same as a new lease. All of the above steps must be followed; new Lessee ID cards issued and appropriate ID fees collected for the “new” lease.

There is a charge per guest.

**GUEST BOOKLETS**

Residents and lessees may purchase a Guest Booklet at the ID Office. Each Booklet contains fifteen Daily Passes that can be pulled out as needed. The booklet never expires. Each pass enables one guest (accompanied by a resident) to utilize the recreational facilities for one day. The pass is to be signed and dated by a Security Officer the first time the resident and guest enter the pool or clubhouse areas. Each pass is valid for one day. No refunds.
LOST/STOLEN ID CARDS

If an ID card is lost, a replacement fee must be paid to obtain a new ID card. Should the ID card be found and returned within ten (10) days with the receipt, a portion of the replacement fee will be returned. In case of theft, a police report is required and the replacement card will be issued at a lower cost.
