Happy New Year!

As we look forward to the NEW YEAR, we have a lot to be proud of as we reflect on 2023.

First and foremost, Kings Point has never looked better! This year, as our “Snowbirds” return, we have no significant projects going on at this time. Sure, there may be a landscaping project here or there, but overall, everything is quiet, as we gear up for major projects this summer.

As a reminder, the Revalidation Program has now expired. If you did not have your old identification card (or user identification card) revalidated during the assigned time period, the cost is now \$60.00. During the assigned time period, (December 1, 2022 - November 30, 2023), there was no charge.

Our theater, golf courses and restaurants are in full swing. Please refer to www.KingsPointDelray.com to check out ticket options for the theater, golf information or the latest menu options. Continued support for KPG&CC is a great way to help keep recreation area maintenance costs down in the future.

In closing, please enjoy the wonderful “winter” South Florida has to offer! Kings Point is a great place to be. Amazing people, great amenities, staff members and board members that are here every day to do their very best to serve your community!

If you have any questions/comments or have any ideas as to how you would like to improve services, please feel free to give us a call at 561-499-3335.

Wishing Everyone a Happy, Healthy 2024!

Lisa Manzione

Alliance of Delray News

The Agricultural Reserve: Our Backyard

The Agricultural Reserve covers about 22,000 acres west of Florida's Turnpike, east of the Arthur R. Marshall National Wildlife Refuge, north of Clint Moore Road and generally south of the Village of Wellington and Heritage Farms. Its creation was made possible by funds raised through a bond issue in 1999. Special rules were enacted when the Reserve was built to limit development and preserve agriculture there.

Recently, GL Homes proposed building 1,000 age restricted high-priced homes and a multifamily 277 unit Workforce Housing project on Agricultural Reserve acreage that previously was "preserved" through other projects. In exchange for allowing the removal of several restrictions, GL Homes offered bonuses which included building a multi-million-dollar water-resource project in the northwest part of the County along with a 250-acre ATV park, exchanging some farm land in the northern area for the farmland in the Ag Reserve, and reducing density on an already approved development in Indian Trails Grove, a community in northern County.

Critics of the swap argued that approval would have changed long-standing policy of requiring land swaps only within the Reserve and limiting development west of State Road 7. They also argued that there were too many "loose ends" attached to parts of the developer's proposal, and challenged whether a private for-profit, rather than a government entity should manage the reservoir that was part of the proposal package.

The Board of County Commissioners (BCC) had many questions for the developer and raised many concerns. In a letter to the BCC, the Alliance pointed out many "red flag" issues and followed up with President Lori Vinikoor testifying at the October 24, 2023 public meeting. According to an expert independent consultant hired by the County, the proposed project would have brought an increase in Fire Rescue response time and increased density and intensity to an area of the Agricultural Reserve with roadways that are already failing with excessive traffic flow.

The BCC voted 4 to 3 to deny the application. Mayor Gregg Weiss, Vice Mayor Maria Sachs, Commissioners Mack Bernard and Marci Woodward all voted to deny the request. Commissioners Michael Barnett, Sara Baxter, and Maria Marino were in favor of the application. In cases of denial, the applicant usually cannot bring up the same application again for a period of two years unless the proposed development is considerably changed.

Happy 2024 Kings Point Delray!

We are very excited to share with you “just the beginning” of a very exciting season of ENTERTAINMENT here at Kings Point Delray!

We commence the year with the one and only “DIVAS” show starring Frank Marino and a cast of celebrity female impersonators. The show will start promptly at 8pm on Wednesday, January 3rd in our beautiful theater. The month of January is full of wonderful performances such as: “The Texas Tenors”, “Steve Solomon - Cannoli, Latkes & Guilt”, “Yacht Rock”, and “Daybreak”, to mention a few. Another exciting news is having “Rita Rudner” here at Kings Point! Rita will perform on Sunday, January 14th. Rita will have you laughing at her witty and keen observations of life. On January 17th “The Bronx Wanderers” are back to wow once again the Kings Point audience.

From January 19-31, we'll wrap up the month with: “Shades of Buble”, “Human Nature”, “Orchestra Delray at Kings Point”, “The Roz Brown Experience”, “Funny from Coast to Coast”, “The Music of Billy Joel and Elton John”, and “Clint Holmes” replacing Melissa Manchester.

The month of February features 11 shows for your entertainment! “The Black Jew Starring Sarge”, “The Jersey Tenors”, and tributes to the “Bee Gees”, “Olivia Newton-John”, “Neil Diamond”, “Barbra Streisand”, and much more awaits you.
