## Hello everyone!

A Warm “Welcome Back” to our friends and family from the North!

This coming new year will spell “projects” for Kings Point. On the agenda is the long-awaited new construction of the Main Clubhouse Pool and Guest Pool, along with the expanded Bathhouse, the expansion of the Flanders Gate, the expansion of “The Bistro”, just to name a few. As always, the upkeep and minor projects will continue throughout the recreation area.

As a reminder, all residents should have or should be in the process of, upgrading their vehicle bar code or RFID sticker. Please wait for your assigned date, like the process used for Identification Card revalidation, stopping by the Administration office. This will allow the process to continue to go smoothly and efficiently. There is no charge for the RFID sticker currently.

Our theater, golf courses and restaurants are in full swing. Please refer to [www.KingsPointDelray.com](http://www.KingsPointDelray.com) to check out ticket options for the theater, golf information or the latest menu options. Continued support for KPG&CC is a great way to help keep recreation area maintenance costs down in the future.

Additionally, “Downtown at The Bistro” remains a popular place to be for our residents, as well as the great shows. Please check the playbill as a few tickets are still available for the season

If you have any questions/comments or have any ideas as to how you would like to improve services, please feel free to give us a call at 561-499-3335.

Enjoy the holidays in South Florida!

# Golf

## Dear Kings Point Golfers:

Welcome back, snowbirds! We hope you had a great summer. The Kings Point 17th Annual Golf Tournament has been postponed until November 16th. All proceeds raised will go to support the PBSO Family First Charity Fund. The charity was created to help critically ill law enforcement officers along with their family members. We look forward to seeing everyone in November.

Membership cards are now starting to expire. Please make sure to stop by the Par 3 to renew your membership along with receiving a new card.

Residents and members now have five (5) days in advance to book tee times. We kindly ask that when booking a tee time online, please make sure you are listing all parties in your group by providing their first and last name. It helps save time during check-in along with getting you out on the course quicker.

We are experiencing many people wandering on the golf course after hours either hitting balls or just walking down the paths. This is NOT ALLOWED, and those folks will be dealt with by security and or PBSO. If you see this happening, please call security at 561-499-3322.

Best regards,  
Jennifer Revolinski, Manager of Golf

## Things to Remember:

## Property Insurance Isn't the Only Premium That Has Increased Has Your Auto Insurance Premium Increased?

Inflation has affected many areas of the economy, including car insurance. As the cost of vehicles increases, so does the cost of repairs and insurance rates. There are several reasons why auto insurance rates are increasing, including:

- Florida represents about 10% of the population in the USA but 80%% of all Litigation/Suing for the entire USA.
- Inflation has been at an all-time high! We used to average about 2-5% per year. Now we see an average of closer to 10%.
- The cost of repairs is increasing, especially for newer vehicles with expensive technology. Insurance companies raise rates to account for the higher claims they pay out for repairs.
- Supply chain issues during and after the pandemic led to shortages of computer chips and other necessities for manufacturing cars. This caused price increases for new and used vehicles.
- Increasing thefts can lead to higher premiums, especially in cities where theft is more common.
- At-fault accidents on your driving record can indicate you're at risk for more, and insurance companies will price you accordingly.

### **Alliance December Meeting to Include a Panel Dialogue of Insurance "Binding Arbitration Endorsement" to be Discussed**
