Hello everyone!

Happy New Year!

It is hard to believe we are celebrating 2025! Nevertheless, here we are and Kings Point is stronger and better than ever!

Hopefully, many of you are enjoying the long-awaited Flanders Pool night lighting. The Flanders Pool is now open from 9:00 AM - 10:30 PM for your enjoyment.

The Bar Code Transponder Program is underway. Please visit the ID Office when your building is notified of their specific date and time. There have been some issues with certain batches of transponders. If you are having an issue with your transponder, please return to the ID Office for a replacement transponder.

If you have not had a chance, please stop by the Monaco Clubhouse. The Monaco Billard and Cardroom flooring has been replaced. Let us know what you think!

After almost a year, the new buses have finally arrived! It generally takes about a year, since the buses are custom made, but from now forward, transportation should be seamless with no mechanical issues! We hope you like the new look!

Once again, the Annual Charity Golf Tournament was a success! The beneficiary of the tournament is PBSO - Family First Fund: a charity, which helps benefit officers and their families in times of need. All donations to the tournament are contributed by your neighbors or vendors that either play golf at Kings Point or service the community. No community funds are used as donations for the event.

In closing, we hope that you enjoy the wonderful amenities Kings Point has to offer. If you have any questions/comments or have any ideas as to how you would like to improve services, please feel free to give us a call at 561-499-3335.

Wishing Everyone a Happy, Healthy 2025!

Lisa Manzione

Dear Kings Point Golfers:

The Kings Point 17th Annual Golf Tournament took place on November 16th. All proceeds raised went to support the PBSO Family First Charity Fund. Thank you so much to everyone that came out to support our officers!

Membership cards are now starting to expire. Please make sure to stop by the Par 3 to renew your membership along with receiving a new card.

Residents and members now have five (5) days in advance to book tee times. We kindly ask that when booking a tee time online, please make sure you are listing all parties in your group by providing their first and last name. It helps save time during check-in along with getting you out on the course quicker.

We are experiencing many people wandering on the golf course after hours either hitting balls or just walking down the paths. This is NOT ALLOWED, and those folks will be dealt with by security and or PBSO. If you see this happening, please call security at 561-499-3322.

Best regards,
Jennifer Revolinski, Manager of Golf

Major Traffic Laws Updated during the 2024 Florida Legislative Session

Several new traffic laws became effective on July 1, 2024. These include the following:

Racing Street Takeovers: The term “coordinated street takeover” is defined and clarifies what constitutes an illegal street racing event which includes ten or more vehicles organized to take over a street. Among other fines, the maximum fine has been increased for violations of the prohibitions against drag racing, street takeovers, stunt driving, competitions, contests, tests, or exhibitions. The law now authorizes the arresting officer to seize a vehicle used to perform certain acts and authorizes the Florida Department of Highway Safety and Motor Vehicles (FLHSMV) to revoke the driver license of the person who committed such acts for a specified time frame. It also provides a fine for a spectator at any race, drag race, or street takeover.

Vulnerable Road Users*: This law requires a person who commits an infraction that causes serious bodily injury to, or causes the death of, a vulnerable road user to pay a specified civil penalty and requires the person's driver license to be suspended for a specified period and requires the person to attend a specified driver improvement course. *A vulnerable road user is defined as a non-motorized road user, such as a pedestrian and cyclist as well as motor-cyclist and person with disabilities or reduced mobility and orientation.

Basic Driver Improvement Course: Increases the number of times a driver may elect to attend a basic driver improvement course in lieu of a court appearance from five to eight.

Driving Without a License: Penalties for the offense of driving without a valid driver license have been revised. The new law requires a specified minimum jail sentence for a third or subsequent conviction of such offense.

The Alliance of Delray works constantly on traffic issues in the community and to make roadways safer. The Alliance offers a state-approved Mature Driver/ Senior Citizen Driver Course for insurance credit. Classes are scheduled throughout the year. The course is brought directly to Alliance member community clubhouses. For more information contact Alliance President Lori Vinikoor at vinikoor@bellsouth.net or (561)715-1530.
